Subject: Deficient Amendment to Notice of Intention to Commence Small Mining Operations, Perihelion Global, Saturday Night #1 and #2 Mine, S/003/0076, Box Elder County, Utah

Dear Mr. Beebe:

The Division has reviewed the referenced amendment to your Notice of Intention to Commence Small Mining Operations (NOI) received April 4, 2009. The following items will need to be addressed before the amendment can be determined complete:

1. Before the Division can accept the name change to Pilot Range Land Holdings, LLC, you will need to contact the State Div. of Corporation to have the business registration re-activated.
2. You will need to have the letter of credit currently used for the reclamation surety retitled from Perihelion Global to Pilot Range Land Holdings, LLC., and sign a new reclamation contract.

While approval of this amendment is not dependent on the following, it is brought to your attention now, since you will need to change the letter of credit. A periodic review of the surety amount for this site found it is now time to escalate the surety amount to be current. The previous surety amount was determined, using 2006 dollars, escalated for a 3-year period (to 2009). Current reclamation costs, escalated for a 3 or 5-year term is now \$24,600 (3-yr) or \$25,200 (5-yr). The Division currently holds \$19,000. Please provide an additional \$5,600 (3-yr escalation) or \$6,200 (5-yr escalation), your option, by December 31, 2009. Please contact Penny Berry at [bondcoordinator@utah.gov](mailto:bondcoordinator@utah.gov) or phone 801-538-5291 for assistance with the bond change and to obtain the new reclamation contract.
